Hi, John.

Really sorry for the delay. Please see attachment. For the word doc, you have the redline version, as there is a note in there to you regarding one of the points.

Kathy - I don't think I made any substantive changes that would have altered the meaning... but please double check for me. I didn't touch the spreadsheet.

All - If you need to reach me today or this wknd, please call my personal cell at Ex. 6 Personal Privacy (PP)

Thanks!  
Cathy

Okay, very late, not my best work (maybe a C rating), and not one page. But I did try to be clear on what it will take to get some of this done. Not the hobbling I am doing.
